15 Ellen sublets parts of her premises to several tenants.

On January 1 2015 she had received rent in advance from a tenant, £800, and was owed rent by another tenant, £200.

During the year she received £13 600 in total from her tenants.

On 31 December 2015 she had received rent in advance from a tenant, £700, and was owed rent by another tenant, £350.

(a) Prepare the rent received account for the year ended 31 December 2015 showing the amount transferred to the profit and loss account. Balance the account on that date and bring the balance down on 1 January 2016.
